NATIONAL INSTITUTE OF TECHNOLOGY MEGHALAYA

(*An Institute of National Importance*)

End Term Examination (Autumn 2020)

Guidelines for the course instructors

1. The end-term question paper should cover the entire syllabus with course outcomes if any (approximately equal weightage to each CO) specified in the respective course curriculum.

2. The end-term question paper contains only one Part with two hours exam.

3. The question papers format should be as circulated by the academic section on Wed, Dec 16, 2020, with the subject of *"**Minutes of meeting held on 11-11-2020 - Change in question paper format for online midterm and end-term exam***". A copy of the same circular is attached herewith for your reference.

4. The concerned course instructors are requested to submit **one set** of question paper(s) to respective HoDs on or before 14-01-2021. Further, HoDs may send the compiled question papers in a single folder to the examination cell by 15-01-2021.

5. The question papers should be preferably numerical/analytical type as much as possible depending on the syllabus.

6. The requirements of charts/tables/graph paper should be mentioned in the question paper.

7. The individual course instructor will conduct the examination (**as per the scheduled routine**) using the Google platform (**under assignment category**). **The students will upload the handwritten scan copy of the answer scripts in the interface.**

8. If any students registered for their backlog courses, they need to be invited by the concerned instructor via the Google platform for the online examination and further evaluation.

9. The respective course instructors are requested to upload the question papers at least 5 minutes before the exam schedule.

10. Timing for the exam and uploading the answer script:

Forenoon Session	
Exam time	10:00 AM- 12:00 PM
Uploading the answer script	12:00 PM-12:30 PM

....
