Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	The Online teaching of the institute is happening with lot of new rules and regulations to make it more interesting and attention graving. The classes are being held in google classroom for which the google suits are procured by the institute for all stake holders. All the faculties and students can avail the facility of the google suit through the institute email id. Faculties are creating classrooms separately for each courses and join all the students of that particular semester and branch. According to the class routine time table, the faculty and students join the classes in google meet through the classroom. The classes are happening with virtual white board and presentation. To write in the virtual white board, each of the faculties are provided writing pad from the institute. The explanation of different circuits, drawings, designs, equations are very much interesting with the use of writing pad. Regular interaction with the students are also done by the faculties to make the student more attentive. Attendance are maintained strictly for all the students. The evaluation of the student is also done in google classroom and several components are added specially for online evaluation so that the performance of each and every student can be understood clearly. Separate evaluation scheme are followed for theory and lab courses. The project for under graduate and post graduate students are guided by respective supervisor in online mode. Students are working in different software from their places. Student can also use software installed in institute PC through Teamviewer, Ultraviewer, Anydesk software. The project evaluation is also done with the presentation in google meet. All the faculties of respective department are attending the students presentation and give their suggestions to improve the project work.
